In December the supply of Registration cards was exhausted, and it was deemed advisable in ordering new ones to select a form more exacting as to the responsibility of those signing the cards. This new form is now in use.

The Librarian has adopted a new system of charging books, which is less complicated and more expeditious.

To date there are 975 registered borrowers.

The Librarian was absent from duty Dec. 30th, because of illness.

Respectfully submitted,
Maude D. Johnson.
